

EASY GUIDE

How to use the app Volo Jet Privato

A few simple steps. It takes 2 minutes.

1

Put the app on your phone

- iPhone: open the site in Safari, tap the square with the arrow and choose “Add to Home Screen”.
- Android: open the site in Chrome, tap the 3 dots and choose “Install app”.
- Now the ME icon is on your phone, like your other apps.

2

Ask for a quote

- On the first page choose Jet or Helicopter.
- Type where you leave from and where you want to go: the city name is enough, the airport appears by itself.
- Add the day and how many people are travelling.
- Tap the “Request a quote” button.

3

Add the details

- Tell us if it is one way or return.
- How many bags, whether a pet is travelling, whether anyone smokes.
- If you need a car with driver (NCC) or anything else, write it in the notes.

4

Choose a helicopter tour

- Open “Helicopter tours” from the menu.
- Look at Florence, Carrara, Venice, Rome or Elba.
- Tap “Request this tour”: the form almost fills itself. No registration needed.

5

Get your answer

- One of our advisors replies with a tailored quote.
- If you are a Partner, you find it in “My quotes” and get a notification and an email.
- No obligation until you accept.
