1

Create your Partner account

- Tap “Sign in” at the top right.
- Choose “Continue with Google” or tap “New partner? Register”, enter email and password and tap “Create account”.
- Open the email you receive and confirm: you are in.

2

Enter your area

- Each time tap “Sign in” and enter email and password (or Google).
- At the top you see the “My quotes” button: it means you are in your private area.
- Forgot your password? Tap “Forgot password” and follow the email.

3

Request a quote for a guest

- Open the Partner page from the menu.
- Fill in the form: guest name, flight, dates, passengers, bags, notes.
- If a car with driver (NCC) is needed, just write from where to where: times and details are set when you accept the quote.
- Tap “Send request”: the request reaches us straight away.

4

Turn on notifications

- On the Partner page tap “Enable push notifications” and then “Allow”.
- Do this on every phone or computer you use.
- This way we alert you as soon as the quote is ready.

5

Open the quote

- When it is ready you get a notification and an email “Your quote is ready”.
- Tap “My quotes” and open the new one.
- You see the aircraft or helicopter, prices, total, validity and conditions.

6

Confirm or ask for changes

- The quote is valid until the date shown.
- To accept it or change something, message us on WhatsApp with the gold button: +39 393 589 5203.
- We guide you step by step.
